Faye Huskins Infant Playscape

Baby Gator at Newell Drive

This play area, designed to meet the unique play needs of infants and toddlers, was made possible by a generous gift from Paul and Sandy Rosengren in memory of Paul's mother, Faye Huskins.

Mrs. Huskins was a graduate of the UF College of Education, a life-long educator, and a strong supporter of Baby Gator.

Completion date for the playscape is set for fall, 2013.

- A. Workshop
- B. Shade Sails
- C. Sand Pit
- D. Water Table
- E. Vine Tunnel
- F. Music Wall
- G. Climbing Mounds

The Early Childhood Collaborative at Innovation Square is an innovative partnership of UF Baby Gator Child Development and Research Centers and the UF Center for Excellence in Early Childhood Studies, combining high quality child care and early education practices that have evolved from cutting-edge research in child development and child and family studies with The Center for Excellence in Early Childhood Studies conducting research, model demonstration, outreach and training locally, statewide, nationally, and internationally.

Locus Plan

Southwest Bird's Eye View

Early Childhood Collaborative at Innovation Square

Main Entry View

Ground Floor Plan

Second Floor Plan

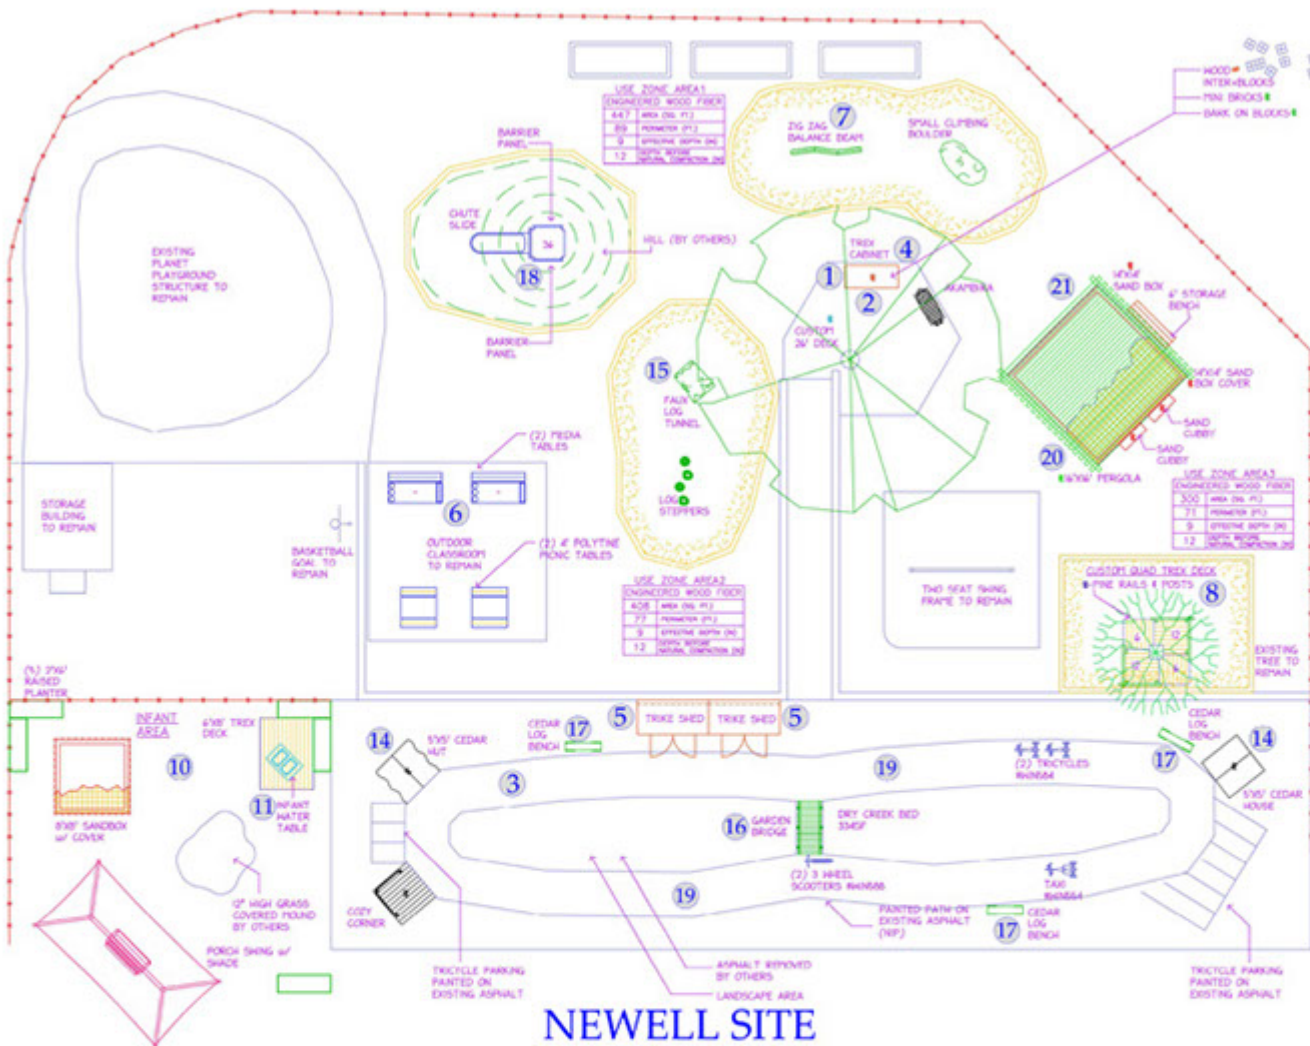

Baby Gator at Innovation Square will enroll 300 children, ages 6 weeks to 5 years, whose parents are associated with employers in Innovation Square, are UF students, staff or faculty, or reside in the Gainesville community.

The Center for Excellence in Early Childhood Studies has more than 40 affiliated faculty, post-doctoral fellows, research scientists, and doctoral, master's and undergraduate students engaged in Center activities working with Baby Gator teachers, practitioners from other early childhood settings, and families of young children.
